For professionals eligible for reciprocity (CCDC II, CCDC III or CPS), the International Certification & Reciprocity Consortium (IC&RC) and the South Dakota Certification Board for Alcohol and Drug Professionals (CBADP) will provide you with an International Certificate as a courtesy to you. There is no charge for the International Certificate. The CBADP will submit your name to the IC&RC after you submit your CBADP Certification Renewal Application and the annual renewal fee. The International Certificate will be mailed to you directly from IC&RC. (Note: Individuals on 'inactive' or 'retirement' status are not eligible for reciprocity.)

A minimum of 10% of the Certified Professionals will be audited within the two-year cycle. If audited, the burden of proof to demonstrate adequate continuing professional training lies with the professional.

Audits will be conducted in the following manner:

- a. The Board will notify each professional who has been randomly selected for audit and will provide the professional with a copy of their Continuing Education/Training Report form.
- b. The Board will ask the professional to send a copy of the continuing education documentation to the Board.
- c. The Board will review the documentation and verify the professional's Continuing Education/Training Report form with the supporting documentation.
- d. If there is a discrepancy, the Board will seek further information from the professional.
- e. False documentation will cause a referral to the Ethics Committee.

<u>To clarify</u>: You will need to **submit the Continuing Education/Training Report form that documents the required continuing professional training hours that you have obtained during this reporting cycle.** <u>You will not submit</u> **certificates of attendance or documentation unless you are audited.** The Board will conduct random audits, as stated in the above policy. It is your responsibility to maintain accurate records and provide them to the Board, if requested.

The Board has promulgated a Code of Ethics for Chemical Dependency Professionals. There is an additional Code for Prevention Specialists. The CBADP Code of Ethical Conduct was adapted from the American Counseling Association Code of Ethics and became effective July 1, 2004.

The CBADP is required to comply with SDCL 25-7A-56 which is a prohibition against the issuance of professional license, registration, certification, or permit of application in the event of child support arrearage. Applicants listed on the State Registry will not be granted Trainee Recognition, Certification or Recertification until arrangements have been made with the Department of Social Services, Office of Child Support Enforcement and the individual's name is cleared via monthly written reports from that office.

If you have any questions, please contact the CBADP Administrative office.
